Pursuant to the Board's discussion, and my conversations with Kipp, last night I suspended the police chief for 5 business days without pay; I intend to further investigate the issues brought forward by the Board and to explore other matters.

I have informed the Sheriff, and he said he would attempt to send deputies over to Shannon more often than normal, though his staff is limited.

If you have any questions or concerns on this matter, please call me on the phone.

All the best,

--
